Arrival:

You can check into the apartment from 2.30pm. You may not check-in early unless previously arranged.

We will send you a welcome letter entailing all details of the arrival process as soon as we have received initial payment.

Arrival charges:

For the majority of the time, this is a complimentary service (Mon – Sun 5am-10pm). Outside of these times there is a small fee of £50 applicable. Payment (if required) is arranged and quoted at time of booking. This will be a part of the total price quoted you on booking. You do not pay the driver anything (no tips required).

If payment is required later (i.e. late arrival or unknown arrival time) then we can either take this from your security deposit or arrange a separate Google Checkout invoice.

Apartment payment and booking details

For current and future reference, here are our payment and cancellation procedures and policies.

When does the full payment need to be paid?

The full payment needs to be received in our account **TWO WEEKS** prior to arrival. The guest is liable for a £40 late payment fee and/or cancellation of their booking if full payment is not received before this time.

We recommend that to avoid complications you send the payment 24 hours before its due date. Sometimes Google Checkout (our online payment system) rejects some payments, if this occurs, then delays may arise; so please allow plenty of time to pay.

Can I pay you in cash on arrival?

No. We prefer not to handle cash, and we feel that it is easiest for both parties. Also, we are not able to meet you at the apartment on your arrival – you are able to enter the property as and when you wish. We use Google Checkout which is a very safe and efficient international money system, so you are safe, and it is convenient for all.

What is security deposit for?

We ask for a security deposit also – for our security. This is a £200 bond. We use *Google Checkout* for this also. Please note though that **we do not charge your debit/credit card**, we just hold this amount as available. This damage deposit is **fully refundable** on departure of the apartment.

We put the deposit in place to ensure that guests take good care of the apartment and leave it in good order. We can also use this payment to recoup any extra costs such as unannounced early-check-ins etc. As soon as you depart and the cleaner inspects the

apartment we cancel the transaction. If something was to break or malfunction whilst you are in the apartment, please inform us by calling or emailing, obviously if it is an emergency, then telephone is the best way. For your own peace of mind, we VERY rarely hold people's deposit back due to damage.

Cancellation and refund policy:

On booking an apartment, the 20% booking deposit is non-refundable.

The 80% full balance payment is due **TWO WEEKS** before arrival. Feel free to pay the full balance at any time via the email invoice we would have sent you. We reserve the right to cancel your booking if we do not receive full payment one week before arrival.

The full balance will be payable and forfeited if you cancel **only within TWO WEEKS** of arrival. If you cancel before this time, only the 20% booking deposit will be retained and the 80% balancing payment will be refunded (if this has been paid).

Booking price and quote policy:

We reserve the right to change advertised prices with no notice. Existing quotes will be honoured under these circumstances. **Once you have made your booking at a certain rate, the rate will not change** – regardless of future rate adjustments.

Departure:

Checkout time is 10.00am. You may not checkout late unless previously PAID FOR and arranged.

Upon departure, please ensure all windows in the apartment are closed and all electrical items are switched off.

When you leave, please ensure that both the apartment and the building front doors are firmly locked.

Ensure that you leave BOTH sets of keys in the designated areas, so that they can be easily found by the housekeeping team.

Please leave the main set of keys (set 1) as designated. There will be a sign in the apartment explaining where to leave them (found on the back of the front door). The location depends on whether you need the keys to exit the apartment (some front doors require the keys to shut them).

Please return the second spare set of keys (Set 2) to where you found them. There will be a sign in the apartment explaining this.

On departure:

(1) Please ensure you leave the apartment before 10.00am (unless previously PAID FOR)

(2) Leave BOTH sets of keys in the designated locations as described by the sign on the back of the apartment front door.

Luggage Storage:

Due to the nature of the apartments, we have no access to communal areas or lobbies. Therefore we have no ability to store any of your luggage outside of your booked stay.

Airport transfers:

Taxi:

Waterloo Car Hire is a reputable car hire company for airport transfers. They are a fully licensed taxi company offering a good service. Please arrange airport transfers in advance with the company. Mention "Boutique London Lets", the apartment name and whether you wish to "pick-up" or "drop-off" the keys at the same time (Refer to "Arrival & departure – key pick-up & drop-off" section above)
